

# FORT YOUNG

HOTEL & DIVE RESORT

## SOAK UP A RICH & SOULFUL HISTORY

While Fort Young Hotel first opened in 1964, the land upon which it sits dates back to 1699. Having evolved from a military fort to a central police station and, presently, a hotel, the land has been inundated with a strong sense of character; a colorful and cultural vibrancy that defines the Fort Young.

With local markets, thermal hot springs, waterfalls and coral reefs just minutes from the hotel entrance, Fort Young has ideal exposure to Dominica's vibrant culture and natural wonders, yet affords guests a luxurious sense of seclusion.
