

Government of the
Commonwealth of Dominica

WELCOME TO THE NATURE ISLAND OF THE CARIBBEAN DOMINICA

TRAVEL PROTOCOLS FOR
SAFE ENTRY INTO THE ISLAND

Rev: January 4, 2021

TRAVEL PROTOCOLS FOR ENTRY INTO DOMINICA

General protocols and guidelines upon arrival:

1. Travellers are required to wear face masks at all times during the arrival process up to and including departure from the airport.
2. Travellers must observe physical distancing.
3. Travellers must practice good respiratory etiquette and personal sanitization.
4. Travellers must follow all instructions of health care staff and officials.

Children under five years of age will not be subject to testing, however, all children under 5 years old belonging to family cluster cases will be subjected to PCR testing on advice of the Medical professionals.

Children must serve mandatory quarantine if travelling from a high-risk country.

CLASSIFICATION OF COVID-RISK COUNTRY

The following risk classification is based on the WHO/PAHO, CARPHA, and CDC models and has been modified accordingly. Several parameters are required in this model, which include population size, number of daily new cases and accumulative daily trend.

Travellers from within any classification must have travelled directly from the country of origin and have been in that country/ territory for at least 21- days prior to arrival. In-transit countries must also be within the same classification.

RISK CLASSIFICATION	COUNTRY
LOW RISK	Anguilla, Antigua & Barbuda, Grenada, Montserrat, St. Kitts & Nevis, St. Vincent & Grenadines, The Cayman Islands,Norway, Iceland, New Zealand, Bermuda. BVI, Greenland, Singapore, Turks & Caicos Islands
MEDIUM RISK	Finland, Sweden, Nigeria, Switzerland
HIGH RISK	Curacao, Canada, Italy, Jamaica, Trinidad & Tobago, Guyana, Belize, Guadeloupe, Martinique, United States, Brazil, India, Russia, South Africa, Peru, Mexico, Haiti, Colombia, Chile, Spain, Iran, United Kingdom, France, Germany, Argentina, Dominican Republic, Japan, Ecuador, Bolivia, Panama, Aruba, Surinam, St. Lucia, Sint Maarten, Saint Martin, Barbados

- All countries not listed will be dealt with on a case-by-case basis upon directives from the Ministry of Health, Wellness and New Health Investment.
- Country risk categorization will be reviewed and published on a weekly basis.
